

Report on solid waste management by Eco club unit of SCVB Govt College Palampur **(2026- 27)**

Date-20th july,2026

Activity 1- collection of cow dung

The Eco Club Unit of S.C.V.B. Government Degree College, Palampur organized a Solid Waste Management Drive in the college campus under the patronage of Principal Professor Pankaj Sood and under the guidance of Dr. Meenakshi Thakur, Convener of the Eco Club.

The main objective of the activity was to create awareness among students about the importance of proper waste disposal, cleanliness, waste segregation, and environmental protection. All the members of the Eco Club actively participated in the drive and contributed enthusiastically towards keeping the college campus clean and hygienic.

The students collected waste from different areas of the campus and encouraged the proper management and disposal of solid waste. The activity helped develop a sense of environmental responsibility and teamwork among the students.

The drive was successfully conducted with the active participation of all Eco Club members under the valuable guidance of Dr. Meenakshi Thakur Ma'am and the constant support and encouragement of Principal Professor Pankaj Sood. It was an informative and meaningful initiative towards promoting a clean, green, and sustainable campus.

Activity 2 - Rakhi prepared from solid waste

Report on Rakhi Stall Held at S.C.V.B. Government College, Palampur

अपशिष्ट सामग्री से तैयार की राखियां

अर्न्त ज्ञान, उच्चत ज्ञान, पालम्पुर। वहीन कैरुलन प्रिजन बरत तजवरीय मल्लीयारुय पालम्पुर के ईको क्लब विद्यार्थियों ने अनुपयोगी एवं अपशिष्ट सामग्री से इको फ्रेंडली राखियां तैयार कीं। 'वेस्ट टु रिस्ट' बमक इत पहल का आयोजन संवेदिकता डॉ. मैकली के मार्गदर्शन में हुआ। विद्यार्थियों ने राखियों का स्टेशन लगाया। प्रचार्य प्रो. प्रकाश सुन ने विद्यार्थियों के प्रयत्नों की सराहना करते हुए कहा कि ऐसी गतिविधियां रचनात्मकता, आत्मविश्वास और परंपरागत संस्कारों के प्रति जिम्मेदारी की भावना प्रियकरित करती हैं।

A Rakhi Stall was organized at S.C.V.B. Government College, Palampur to celebrate the festival of Raksha Bandhan and promote creativity, teamwork, and the spirit of entrepreneurship among students. The stall displayed a beautiful variety of handmade and decorative Rakhis prepared and arranged by the students. All the B.Sc. students participated enthusiastically and contributed greatly to the success of the stall. Their teamwork, creativity, and dedication made the stall attractive and successful.

The event provided students with an opportunity to showcase their talents, interact with others, and learn the importance of cooperation and organization. The stall created a cheerful and festive atmosphere in the college. Overall, the Rakhi Stall was a successful and memorable event. The active participation and sincere efforts of all the B.Sc. students were highly appreciable and made the celebration meaningful and enjoyable.

क्यों से बनाई तक पृथ्वी रचनात्मकता, इसे क्लब ने तैयार की ईको-फ्रेंडली राखियां

पालम्पुर। राखीपूजा के दिन दुर्गा पूजा के साथ जुड़ा हुआ है। इस दिन को राखीपूजा के रूप में मनाया जाता है। इस अवसर पर छात्रों ने अपने-आपके हाथों से बनाई राखियां तैयार कीं। ये राखियां न केवल आकर्षक बल्कि पर्यावरण के दोस्त भी हैं। छात्रों ने अपने-आपके कलम, पेंसिल, और अन्य अपशिष्ट सामग्री का उपयोग करके ये राखियां बनाईं। यह गतिविधि छात्रों में रचनात्मकता और टीमवर्क को बढ़ावा देती है।

छात्रों ने अपशिष्ट सामग्री से बनाई राखियां

पालम्पुर। वहीन कैरुलन प्रिजन बरत तजवरीय मल्लीयारुय पालम्पुर के ईको क्लब के छात्रों ने परंपरागत संस्कारों का आनंद भोगते हुए अपशिष्ट सामग्री से राखियां तैयार कीं। इन राखियों का स्टेशन लगाया गया। प्रचार्य प्रो. प्रकाश सुन ने छात्रों की प्रयत्नों की सराहना करते हुए कहा कि ऐसी गतिविधियां रचनात्मकता, आत्मविश्वास और परंपरागत संस्कारों के प्रति जिम्मेदारी की भावना प्रियकरित करती हैं।

Activity 3 - Grass uprooting in botanical garden

The grass uprooting and cleaning drive was organized in the Botanical Garden of S.C.V.B. Government Degree College, Palampur under the patronage of Principal Prof. Pankaj Sood and under the guidance of Dr. Meenakshi Thakur, Convener of the Eco Club.

All the members of Eco Club participated actively in the drive. The students uprooted unwanted grass and weeds and cleaned the garden thoroughly. They worked together with great enthusiasm and dedication, helping to improve the cleanliness and appearance of the Botanical Garden.

In an eco-friendly and socially responsible gesture, the uprooted grass was collected and given as fodder to the village people for their cattle, thus ensuring proper utilization of bio-waste.

The activity not only made the garden cleaner and more attractive but also created awareness among students about the importance of maintaining a clean and healthy environment.

Principal Prof. Pankaj Sood appreciated the efforts of the students and lauded their spirit of teamwork, responsibility and environmental conservation. He encouraged them to continue participating in such meaningful initiatives for a clean and green campus.
