PROSPECTUS 2020-21

SHAHEED CAPTAIN VIKRAM BATRA

GOVERNMENT COLLEGE, PALAMPUR

District –Kangra, Himachal Pradesh.

From Principal Desk......

It is my proud privilege to welcome you all to the portals of learning. After school life one embarks on a journey of relaxed tutelage in the college where tutors/teachers don't observe the stringent rule of rod and punishment but gently nudge and steer one to discovery of oneself. However, this ease in the vigil brings the onus on the individual student to tread carefully on the chosen path of learning while avoiding the various perils and temptations that tend to distract.

In strange and desperate times of Corona pandemic seeking education and coming to the college is an act of responsibility. Responsibility means adhering to preventive measures like wearing a mask, maintaining social distance, washing your hands frequently, generating awareness about pandemic and finally emerging triumphant over Covid19.

Named after the martyr Capt. Vikram Batra, the college aims at instilling the value of committing oneself to the nation and its constitution because the role of youth as human resource is critical to the development of nation.

Education means drawing out / extracting the best in our students. Acquiring information is no longer the main facet of education, instead the focus of education has shifted to building the powers of human mind and spirit and live in consonance with the socio-cultural fabric of pluralities carefully nurtured by our fore-fathers. Education or learning is all about creating harmony in our existence. We believe in providing our students an environment, rich in knowledge and supportive of their extra-curricular interests. We endeavour to expose our students to new ideas and thoughts and efficiently play the role of facilitators for our students in achieving excellence.

I feel proud to acknowledge the contribution of highly qualified, dynamic and multi-talented faculty, non- teaching staff and my students for pitching in to create a fertile and conducive atmosphere for attaining academic eminence and wholesome growth. We encourage students to persevere in face of challenges and adopt the 'never give up' spirit because all odds, all challenges and all handicaps of life can be overcome with strong determination, persistent hard work, insurmountable patience and unshakeable tenacity.

Dear students, we at GC Palampur would love to be the wind beneath your wings and would like to strengthen your wings for the flight of life. So feel free to pursue your dreams and fly!

My best wishes to the new students entering GC Palampur.

A PROFILE:

Nestled in the most picturesque pristine setting with the Dhauladhar range of Majestic Mountains, Shaheed Captain Vikram Batra Govt. College came into being in 1995.The college is named after martyr Captain Vikram Batra, the valiant son of Palampur. Since its inception the college has risen from strength-to-strength and carries a long magnificent history of its own. The college is affiliated to H.P. University, Shimla and has been accredited B grade by National Assessment and Accreditation Council (NAAC) in Feb. 2020. The college has been running courses in all the three streams i.e. Humanities, Commerce and Science since its inception. It also offers a master degree in Economics. To cater to the changing educational needs, self-financing professional courses like BBA & BCA were introduced in 2010 besides Add on courses on Television and Video Production. The college provides congenial atmosphere for the all-round personality development of the students. The cherished motto and sublime philosophy that inspires all its staff and students is "तमसो मा ज्योतिर्गमय" .The collective efforts of teaching and non-teaching staff have consistently yielded splendid and brilliant results and the roots of the college are spread throughout the country. The college has a sanctioned strength of 48 teachers and 18 non teaching staff.

Over the years, the college has built up an impressive array of academic facilities such as a fully computerized library using SOUL Software and RFID enabled giving an edge of services to the end users. Library is an integral part of any educational institution. It serves as an intellectual and cultural gathering place that fosters and enhances learning, education, research, and personal fulfillment. The library of the college is well equipped with all the relevant reading material. It caters to the needs of the staff and students.

Our college is committed for overall welfare of the students. It has within its ambit hostel facilities to students who come from far flung areas of the region, personality development & career guidance cell, sports and athletic activities, separate NCC units for boys and girls, two units of National Social Service Scheme (NSS) and one unit of Rovers and Rangers. Red-Ribbon Club of the college is spreading AIDS awareness among the students and society. The Parent-Teachers Association is an inalienable part of the college and is always assisting the college administration. The college has one IT lab with more than 3 dozens computers having an access to Internet with broad-band connection, a computer lab for BCA students and a separate computer lab for science students, one Language Lab with 20 computers, 16 well equipped Smart Class Rooms and well equipped science labs. Wi-Fi facility has also been installed in the campus. The college has constituted various clubs like Eco-club, Red Ribbon Club, Martial arts clubs, Mountaineering & Trekking Club, Disaster Management Club, Planning Forum, Yoga, Health Club, Child Care Center & Fitness Club etc. providing platform to the students who have a zeal to do something exceptional in life. The college has excelled not only in academic activities but also distinguished itself in sports and cultural activities as well.

SHERSHAH OF KARGIL
AMAR SHAHEED CAPTAIN VIKRAM BATRA

Captain Vikram Batra
कैप्टन विक्रम बत्रा

Vikram Batra was born on September 9, 1974 in Ghuggar village near Palampur, Himachal Pradesh, to Mr. G.L. Batra and Mrs. Jai Kamal Batra a Punjabi-Khatri Family . Batra joined the Indian Military Academy in Dehradun in 1996 in Jessore company of Manekshaw Battalion, and was commissioned in the Indian Army as a Lieutenant of the 13 Jammu & Kashmir Rifles at Sopore, in Jammu and Kashmir. He rose to the rank of Captain.

Captain Vikram Batra, 13 JAK Rifles, and his Delta Company was given the task of recapturing Point 5140. Nicknamed Sher Shah ('Lion King' in Urdu/Hindi) for his unstinting courage, he decided to lead the rear, as an element of surprise would help stupefy the enemy. He and his men ascended the sheer rock-cliff, but as the group neared the top, the enemy pinned them on the face of the bare cliff with machine gun fire. Captain Batra, along with five of his men, climbed up regardless and after reaching the top, hurled two grenades at the machine gun post. He single-handedly killed three enemy soldiers in close combat. He was seriously injured during this, but insisted on regrouping his men to continue with the mission. Inspired by the courage displayed by Captain Batra, the soldiers of 13 JAK Rifles charged the enemy position and captured Point 5140 at 3:30 a.m. on 20 June 1999. His company is credited with killing at least eight Pakistani soldiers and recovering a heavy machine gun.

The capture of Point 5140 set in motion a string of successes, such as Point 5100, Point 4700, Junction Peak and Three Pimples. Along with fellow Captain Anuj Nayyar, Batra led his men to

victory with the recapture of Point 4750 and Point 4875. He was killed when he tried to rescue an injured officer during an enemy counterattack against Point 4875 in the early morning hours of 7 July 1999. His last words were, "Jai Mata Di." (which means "Victory to the Mother Durga!" in Punjabi).

Param Vir Chakra

For his sustained display of the most conspicuous personal bravery and leadership of the highest order in the face of the enemy, Captain Vikram Batra was awarded the Param Vir Chakra, India's highest military honor on 15 August 1999, the 52nd anniversary of India's independence. His father Mr. G.L. Batra received the honor for his deceased son from the President of India, the late K.R. Narayanan.

Quotes

Batra's last words were the battle-cry "Jai Mata Di!" ("Victory to the Mother (Durga!)" in Punjabi)

Batra's Yeh Dil Maange More! (My heart asks for more!), erstwhile a popular slogan for a Pepsi commercial, became an iconic battle cry that swept across the country and remains popular with millions of Indians, invoked at patriotic public events, in memory of the war and the soldiers, and as a symbol of the indomitable spirit of Indian patriotism and valor in face of future attacks.

Upon reaching Point 5140, he got into a cheeky radio exchange with an enemy commander, who challenged him by saying, "Why have you come Sher Shah (Vikram's nick name given by his commanding officer)? You will not go back." Captain Vikram Batra is said to have replied, "We shall see within one hour, who remains on the top."

While dragging Lt. Naveen back under cover, Naveen pleaded to Captain Batra to let him continue the fight in spite the injuries to which Captain Batra replied "Tu baal bachedaar hai!! Hatt jaa peeche," ("You have kids and wife to look after! Get back!").

"Ya toh Tiranga lehrake awunga, ya fir Tirange mein lipta huwa chala awunga, lekin awunga zaroor" (Either I will come back after hoisting the Tricolour (Indian flag), or I will come back wrapped in it, but i will be back for sure).

CHOICE BASED CREDIT SYSTEM (CBCS) W.E.F. SESSION 2020 -2021

For B.A.I/B.Sc.I/B.Com.I

RULES FOR ADMISSION IN FIRST YEAR OF BACHELOR'S DEGREE COURSE.

Admission to the first year of bachelor's degree (B.A.I/B.Sc.I/B.Com.I) will be according to the choice based credit system.

The main feature of the choice based credit system (CBCS) is to make Undergraduate courses student centric rather than system centric or teacher centric. For achieving these objectives the CBCS strives to create a holistic syllabus. Thus, in addition to focus on a discipline through core papers in general curriculum, elective papers have been introduced that will provide students the freedom to choose the allied/applied/broad areas of their discipline. Further, in keeping with the vision of the Government, special emphasis has been given to ability enhancement and skill development of students through elective courses under these domains which every student is required to study. However, in keeping with the spirit of CBCS the students will have complete freedom to choose these courses from a pool suggested by the UGC/ University. The CBCS provides an opportunity for the students to choose courses from the prescribed courses comprising core, elective and skill based courses. These courses can be evaluated following the grading system. This will benefit the students to move across institutions both within India and across countries. In order to bring uniformity in evaluation system the computation of the Cumulative Grade Point Average (CGPA) is based on student's performance in examination as per the UGC formulated guidelines.

1. **DURATION OF THE COURSE**

    The UG (CBCS) programme for a regular student shall be for a minimum period of three years and a maximum of five years from the date of admission of the candidate.

2. **ELIGIBILITY FOR ADMISSION***

    a) An applicant must not be more than 23 years (25 years for girls) of age as on First July of 2020. However, in case of overage candidates, the Vice-Chancellor may allow age relaxation up to six months. In case of Scheduled Caste/ Scheduled Tribe students, relaxation in age up to three years is allowed as per rules.

    b) A student who has passed 10+2 examination or an equivalent course can get admission in the first year of the three year degree course if he/she fulfills the eligibility conditions.

        i) A student seeking admission to B.A. 1st Year with Mathematics as one of the subject of study, should have either 45% marks in aggregate or 45% marks in Mathematics at +2 level.

ii)   Bachelor of Science (Pass Course): +2 examination under 10+2 or an examination equivalent thereto of a Board/ University established by law in India with pass in four written subjects (three Science elective subjects & one English) with 45% marks. However, Candidates who have passed the qualifying examination with science stream shall be given preference in admission to B.Sc. Programme.

iii)   B.Com Pass Course: (i) +2 examination in commerce group under 10+2 or Commerce examination equivalent thereto of a Board/University established by law in India with pass in four written subjects (including English) with 45% marks or Math/ Economics as a compulsory subject with 45% marks at +2 stage. However, Candidates who have passed the qualifying examination with commerce stream shall be given preference in admission to B.Com. programme.

iv)   If a candidate does not produce the actual marks certificate from a University/Board in respect of +2 examination or equivalent examination where the result is shown in grades and standards etc. the minimum percentage of marks for each subject given in standards will be taken into consideration for determining their eligibility.

c)   **An applicant having compartment in 10+2 will not be admitted.**

d)   Since the Executive Council of H.P. University has approved the CBCS template of UGC for academic session 2017-2018 onwards and annual system 2018-19 onwards, the combination of elective subject chosen as Discipline Specific Core can be allotted /given to the students as per the availability of faculties in the subject and infrastructure in the respective colleges. While allotting the Discipline Specific courses in science subjects, the combination of pure science subjects should be allotted as per the CBCS template of UGC. The students who seek admission in the UG degree will have choice of the subjects depending upon the availability of the teachers and infrastructure. Their degrees, however, will be named B.A, B.Sc., B.Com., etc. on the basis of the faculty. (i.e. Languages, Social Sciences, Life Sciences, Physical sciences etc.) of the majority (two out of three) of the subjects chosen by the students.

3.   **INTER-INSTITUTION MIGRATION***

Inter-Institutional migration (including from one college to another as well as from a college to the ICDEOL and vice versa) of students will be allowed when no-objection certificate is obtained from both the relieving and receiving institutions signed by their respective Principals/ Directors to ascertain especially that the subjects/discipline specific course/elective courses being studied by the migrating student are available in the receiving institution. In such cases the credits and the grades earned by the student at the relieving institution will be carried by him/her to the receiving

institution (detail will be provided by the relieving institution while furnishing no-objection for such migration) and will be added to the credits and grades that the student will be earning at the receiving institution. All the conditions and requirements for the degree including the time frame will remain as given above and other clauses of the regulations.

*Conditions subject to change as per HP University/HP Government latest rules and regulation.

4.   PROGRAMMES UNDER CBCS

a)   B.A. (Arts / Humanities / Languages)

a)   Language Group: English, Hindi, Sanskrit.

b)   Social Science / Humanities Group: Economics, Political Science, Sociology, History, Geography, Physical Education, Public Administration, Mathematics, Education.

c)   Arts and Applied Social Science Group: Music(I&V), Journalism & Mass Communication, Public Administration, Tour & Travel.

b)   B.Sc. (Sciences / Physical Sciences / Bio-Sciences)

a)   Natural Science Group: Physics, Chemistry, Botany, Zoology, Geography, Mathematics.

b)   Methods and Techniques Group: Mathematics, Computer Applications,

c)   B.Com. / B.B.A. (Commerce/ Management)

a)   Commerce, Management.

5.   COURSES IN PROGRAMMES

The UG(CBCS) programme in the college affiliated to the HPU will comprise the following categories of courses.

a. Core Courses   b. Elective Courses   c. Ability and Skill Enhancement Courses

1.   Core Course: A course which should compulsorily be studied by a student as a core requirement is termed as Core Course. Number of Core Papers for a General Programme in Science (B.Sc.) shall be 12 and for General Programme in Arts (B.A.) & Commerce(B.Com.) shall have 12 Core Courses each. Besides, there will be 2 papers each of English and Hindi/MIL in B.A./B.Com) as Compulsory Courses .The course designed for papers under this category aim to cover the basics that a student is expected to imbibe in that particular discipline.

2.   Elective Course: Generally a course which can be chosen from a pool of courses and which may be very specific or specialized or advanced or supportive to the discipline/ subject of study or which provides an extended scope or which enables an exposure to some other

discipline/subject/domain or nurtures the candidate's proficiency/skill is called an Elective Course.

    2.1   Discipline Specific Elective (DSE)Course (2 each for regular courses):Elective courses offered under the main discipline/subject of study is referred to as Discipline Specific Elective.

    2.2   Generic Elective (GE) Course(2 courses each for B.A./B.Com. regular courses): An elective course chosen from an unrelated discipline/subject, with an intention to seek exposure beyond discipline/s of choice is called a Generic Elective. The purpose of this category of papers is to offer the students the option to explore disciplines of interest beyond the choices they make in Core and Discipline Specific Elective papers.

3.   **Ability Enhancement Compulsory Courses (AECCs):** "AECC" courses are the courses based upon the content that leads to Knowledge enhancement. These are: Environmental Science, English Communication/Hindi Communication/MIL Communication. These are mandatory for all disciplines.

4.   **Skill Enhancement Courses (SEC)(4 for regular courses):** SEC courses are value-based and/or skill-based and are aimed at providing hands-on-training, competencies, skills, etc. These courses may be chosen from a pool of courses designed to provide value-based and/or skill-based knowledge and should contain both theory and lab/hands-on/training/field work. The main purpose of these courses is to provide students life-skills in hands-on mode so as to increase their employability.

5.   An undergraduate degree in Science disciplines may be awarded if a student completes 4 core paper each in three disciplines of choice, 2 Ability Enhancement Compulsory Courses (AECC), minimum 4 Skill Enhancement Courses (SEC) and 2 papers each from a list of Discipline Specific Elective paper based on three disciplines of choice selected above, respectively.

6.   An Undergraduate degree in Humanities/ Social Sciences/ Commerce may be awarded if a student completes 4 core papers each in two disciplines of choice, 2 compulsory core papers each in English and Hindi/MIL, respectively, 2 Ability Enhancement Compulsory Courses (AECC), minimum 4 Skill Enhancement Courses (SEC), 2 papers each from a list of Discipline Specific Elective papers based on the two disciplines of choice selected above, respectively, and two papers from the list of Generic Electives papers.

6.STUDENT'S COURSE WISE CONTINUOUS COMPREHENSIVE ASSESSMENT (CCA) AND EVALUATION

All courses (Core, DSE, AECC & SEC) involve an evaluation system of students that has the following two components:

a) Continuous Comprehensive Assessment (CCA) accounting for 30% of the final grade that a student gets in a course; and

b) Annual Examination accounting for the remaining 70% of the final grade that the student gets in a course.

a) Continuous Comprehensive Assessment:
This would have the following components:

I **Classroom Attendance :** Each student will have to attend a minimum of 75% Lectures / Tutorials / Practicals. A student having less than 75% attendance will not be allowed to appear in the annual Examination.

- Those having between 74% and 65% attendance will apply for exemption in a prescribed form accompanied by clear reason(s) for absence to the authorized functionaries.

- Those having between 64% and 50% attendance will apply for exemption in a prescribed

form accompanied by a Medical Certificate from a Government Hospital.

- The exemption from 75% attendance will be given to those participating in prescribed co-curricular activities (e.g. NCC, NSS, Youth Festivals, Sports, etc.) to the extent of 25% (making the necessary attendance as 50% in the annual examination cases). However, the claim for this exemption should be supported by authenticated certificate from the concerned college authorities.

- Candidates who are getting the exemptions, except for those getting exemptions for co-curricular activities, will not be entitled for getting the CCA marks for classroom attendance as given below.

II **Classroom Attendance Incentive:** Those having greater than 75% attendance (for those participating in Co-curricular activities, 25% will be added to per cent attendance) will be awarded CCA marks as follows (out of 5):-

i)   75% to 79% - 1 mark

ii)   80% to 84% - 2 marks

iii)   85% to 89% - 3marks

iv)   90% to 95% - 4 marks

v)   95% above - 5 marks

III **House examination**
