

Poster Making Competition Organized by the Road Safety Club, SCVB GC Palampur

The Road Safety Club of SCVB Government College Palampur organized a Poster Making Competition on 4th November 2025, with the aim of raising awareness and encouraging creative expression on the important subject of road safety among the student community.

The competition was held on the ground floor walls of the college, which provided a vibrant and visible space for participants to display their artwork. Approximately 75 students actively took part in the event, channelling their creativity to convey meaningful messages related to road safety through their posters.

The event was graced by the presence of Prof. Pankaj Sood, who attended as the Guest of Honour. His encouragement and insightful observations added great value to the occasion. The Poster Making Competition allowed students to visually communicate essential themes such as helmet use, seat belt safety, pedestrian rights, responsible driving, and accident prevention. The artwork displayed not only reflected creativity but also a deep understanding of road safety issues, fostering reflection and dialogue among viewers.

In conclusion, the event successfully served as an engaging and educational platform, strengthening the culture of road safety within the campus. It reinforced the role of youth as responsible ambassadors for safer roads and demonstrated the effective use of art as a medium for social messaging.
