

Tutorial Session on Academic Guidance (Department of Economics)

A specialized tutorial class was recently conducted for the B.A Ist, 2nd & 3rd year students of the department of Economics on dated 15th Sept 2026. The Primary focus of this interactive session was not only to resolve academic queries but also to guide students through the essential University administrative process. During the tutorial, the students were comprehensively briefed about the following mandatory University procedures.

- (i) HPU Registration & RME Portal: Students were educated on how to register and verify their credentials on the RME Portal.
 - (ii) Mandatory Examination Forms: The teachers clearly explained that completing the RME registration alone does not permit students to sit for exams. It is mandatory to fill out the online examination form prior to every semester via the official examination Portal.
 - (iii) Student Portal Trouble shooting: Students were shown how to navigate the student portal to check their profiles, choose their subjects and recover the forgotten passwords using the "Forgot Password" feature.
- At the end session concluded with an open question answers where students cleared their doubts regarding their curriculum and online portal submissions.
