

Report on Quality Pledge Ceremony on World Standards Day

On 14th October 2024, a "Quality Pledge" ceremony was organized under the Standard Club at Conference Hall, commemorating World Standards Day. This day is celebrated globally on 14th October to honour the experts who develop technical agreements that evolve into national and international standards, playing a crucial role in various industries.

The event began with the ceremonial pledge, where the attendees committed to upholding quality standards in their respective fields. The Principal, Dr. Mohinder Pal, addressed the students, emphasizing the significance of understanding the standards of various goods and services that are a part of our daily lives. He highlighted that these standards ensure safety, efficiency, and foster innovation in different sectors.

Following the Principal's address, a formal pledge-taking ceremony took place, attended by several esteemed faculty members. Dr. Sanjay Gupta, Prof. Reka De, Prof. Ajay Thakur, Dr. Anupam Sharma, Dr. Anita Sharma, Dr. Anuradha Sharma, Prof. Rajiv Bhorla, Prof. Kamlesh, Prof. Poonam, Prof. Rani, Prof. Kiran, and Prof. Manju were present at the occasion.

The event was meticulously organized with the help of Kulbhushan (LA), who took care of all the arrangements related to the sound system and microphone setup, ensuring the smooth execution of the ceremony.

The ceremony concluded with an inspiring message, motivating students to integrate quality standards into their academic and professional lives, fostering a culture of excellence.
