INSTRUCTIONS TO STUDENTS FOR REGULAR CLASSES IN THE COLLEGE w.e.f. 01-09-2021 ONWARDS

It is for the information of all the students of SCVB Govt. College Palampur that as per the order of Govt. regular classes in offline mode in the college will start w.e.f. 01-09-2021. Students are directed to attend their respective classes in the college as per the "Time-Table" uploaded on the college website. In this regard, necessary instructions are to be followed by the staff and students from the prevention of COVID-19 pandemic: -

1. Students should move/ enter in rows in the college not in the groups by maintaining social distancing (at least six feet distance).
2. Wearing of mask in the college campus is compulsory.
3. Sanitize your hands with auto handsanitizer machines available in the college. Although there is proper arrangement of hand sanitizers in the College campus. But it would be much better to bring your own sanitizer small bottle.
4. Stop for thermal scanning at the entry point.
5. Avoid touching eyes, nose and Mouth.
6. Wash your hands with soap (Soap dispensers installed in the washrooms) for at least 20 seconds.
7. Use handkerchief or tissue paper while sneezing or coughing and throw it into the dustbin.
8. Bring your own pen, pencil, eraser, calculator etc., and don't exchange with others.
9. Maintain social distancing at least six feet distance (दो गज की दूरी) before, during and after the class in the college campus.
10. If any student has fever or flu like symptoms then inform your class teacher or Principal on his mobile number and must visit the nearest hospital for covid test and if tested positive then as per the advice of Doctor/Health department he/she must stay at Home or Hospital in isolation till the improvement of respiratory symptoms.
11. Although there is proper arrangement of drinking water. But it would be much better to bring your own small water bottle.
12. Don't spit and don't use saliva for turning over pages of your note books/books.
13. Download Aarogyasetu app in your mobile.
