

Report on Poster Making Competition

The Standards Club of **S.C.V.B. Government College, Palampur**, under the aegis of the **Bureau of Indian Standards (BIS)**, organized a Poster Making Competition on **14th August 2025** on the theme *"Fostering a Sustainable World."* The event was conducted under the mentorship of **Prof. Manisha Sharma** and featured **Sh. Karamveer Singh, Resource Person from BIS**.

The programme was graced by the presence of the respected Principal, **Prof. Pankaj Sood**, who appreciated the efforts of the students and encouraged them to channel their creativity towards promoting awareness on sustainable living. He emphasized the need for youth participation in environmental conservation.

The competition was adjudged by a panel of experts, **Dr. Ajay Thakur** and **Dr. Anupma Dogra**, who commended the participants for their originality, clarity of expression, and artistic skills. Their insightful feedback served as great motivation for the budding talents. The occasion was further enriched by the presence of faculty members **Prof. Kalpna Rishi, Dr. Anita, Dr. Bovinder Katoch, Dr. Anuradha, Dr. Meenakshi Thakur, Prof. Vipin, Prof. Aditya Ojha** and **Dr. Diwaker**.

A total of **25 enthusiastic students** from various classes participated in the competition, presenting thought-provoking posters that reflected their deep concern and commitment towards environmental sustainability. After thorough evaluation, the results were declared: **Mahak (B.Sc. II)** secured the **1st position**, followed by **Payal Kapoor (B.Sc. II)** in the **2nd place**, and **Kanika Kapoor (B.Sc. II)** in the **3rd place**. A **consolation prize** was awarded to **Albin (B.Sc. I)**.

The success of the event was also due to the sincere efforts of the **club members, Dr. Kamlesh Rana** and **Prof. Atul**, who worked tirelessly to make all arrangements within a short span of time, ensuring the smooth conduct of the competition. The event proved to be a meaningful platform for students to showcase their creativity while spreading the message of sustainable living and inspired them to become future ambassadors of environmental responsibility.
